Who We are

We're a collaborative and close-knit group of designers, artists and athletes who have been transforming dynamic human movement and eco designs into inspiring works of art for over 15 years. We're creative and active individuals who are committed to the pursuit of excellence and dedicated to our clients and our craft.

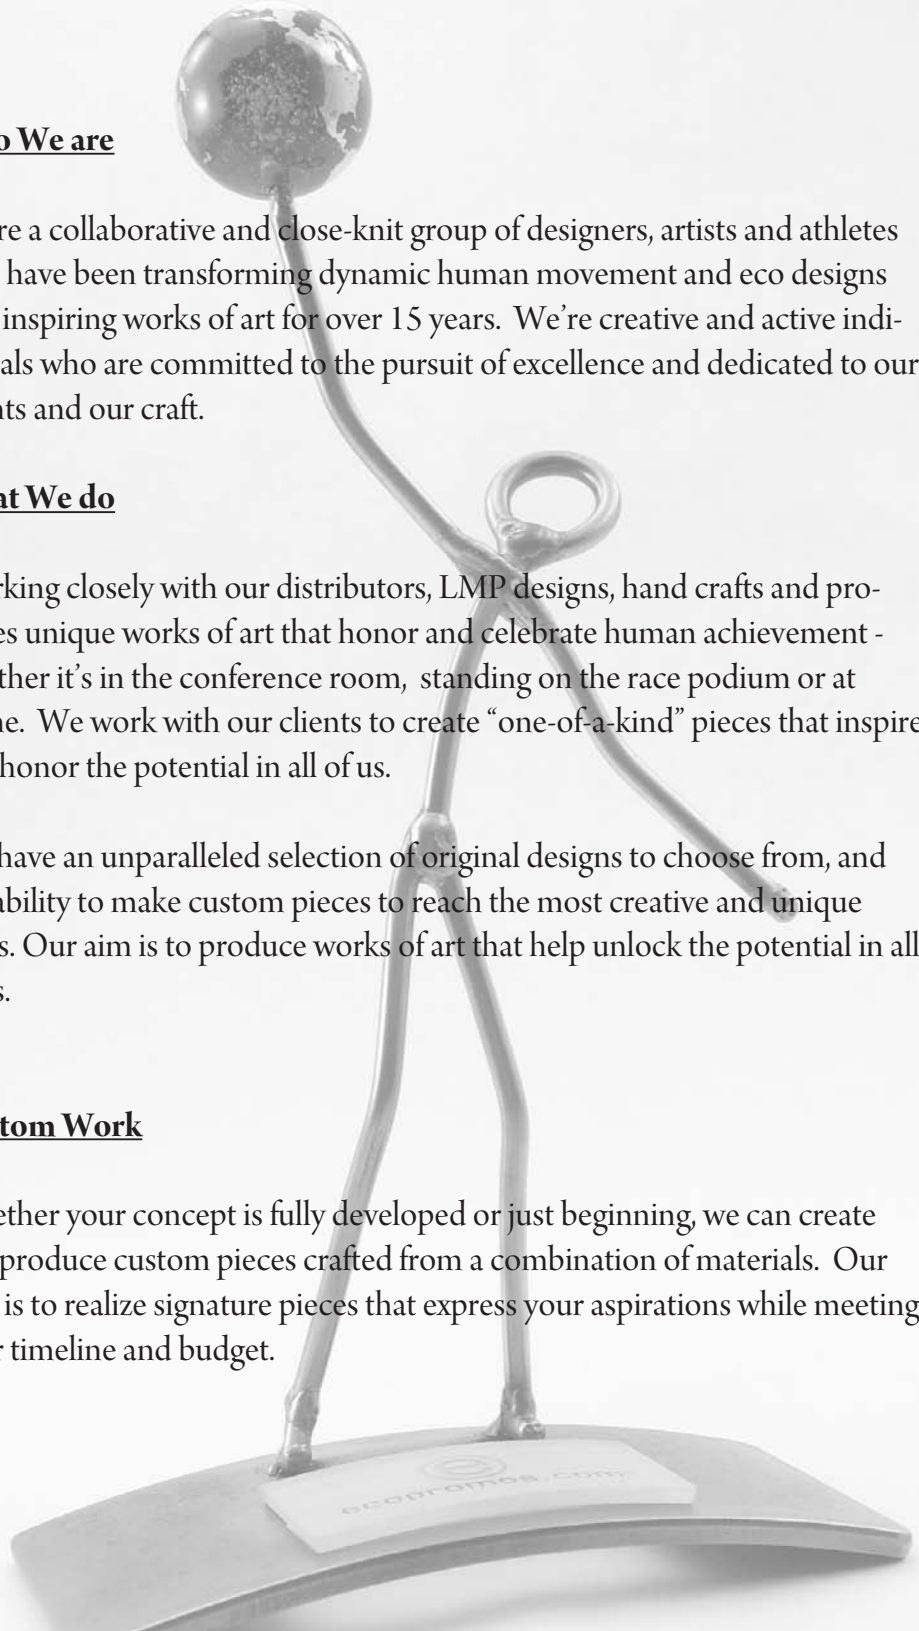

What We do

Working closely with our distributors, LMP designs, hand crafts and produces unique works of art that honor and celebrate human achievement - whether it's in the conference room, standing on the race podium or at home. We work with our clients to create "one-of-a-kind" pieces that inspire and honor the potential in all of us.

We have an unparalleled selection of original designs to choose from, and the ability to make custom pieces to reach the most creative and unique goals. Our aim is to produce works of art that help unlock the potential in all of us.

Custom Work

Whether your concept is fully developed or just beginning, we can create and produce custom pieces crafted from a combination of materials. Our goal is to realize signature pieces that express your aspirations while meeting your timeline and budget.
